OUR MISSION

The Kennebec Valley YMCA is a character building organization dedicated to strengthening the principles of Caring, Honesty, Respect and Responsibility through programs that build a healthy spirit, mind, and body for all, regardless of ability to pay.

Since 1914, we have been a fabric of our community, with a commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility.

YOUR CAMP DIRECTOR

WELCOME NOTE FROM PAUL

Hi! My name is Paul, and I am returning this summer to be your Camp KV Director!

I love spending time on the water, boating and fishing, learning about nature, playing music and sometimes just wandering around the woods looking for something good to eat. I have taught wilderness living, emergency survival and outdoor leadership, and have led extended expeditions paddling in canoes, hiking in mountains and trekking on snowshoes.

I've got a vision for this summer at camp and it is going to be AWESOME! This summer we are rolling out a new Leader In Training Program for our Pathfinders, expanded free choice options for all campers, a Ninja Warrior theme week, a new Wilderness Week for high school students and an environmental sustainability initiative!

At Camp KV, we believe that each camper should be provided with opportunities to grow through experiences that allow him or her to learn valuable skills, explore new ideas and make friends and memories that will last a lifetime.

On behalf of the Y and our camp staff, we look forward to being a part of your child's camp experience this summer.

Let's have the BEST SUMMER EVER!

Paul

Camp KV Director

CAMP KV

EXPLORERS CAMP

This group will introduce our youngest, first-time campers to our Camp KV program.

The Explorers follow a similar camp schedule, allowing campers to enjoy our lakeside facility and take part in:

- Arts and Crafts
- Swimming
- Sports
- Hiking
- Literacy
- Nature

Our Explorers Unit is the beginning of a lifetime of memories at Camp KV!

Kindergarten campers are provided with a daily schedule designed with our youngest campers in mind, including a daily “nest” time in our Literacy Cabin. Nest time is a quiet rest period so our Explorers’ batteries can recharge for the rest of the day.

(All Explorers must be fully potty trained)

LEADER IN TRAINING (LIT)

LEARN TO LEAD

The LIT program is a two-week program that is open to Pathfinders (grades 7&8) and those enrolled in our CIT program.

The LIT program is the first step for:

- Camp KV Pathfinders who want to enrich and broaden their experience
- Our CIT program
- A paid Junior Counselor position

You'll learn:

- Theories of leadership
- Application and implementation of situational leadership
- How to effectively lead a group using your unique talents and abilities
- To incorporate the core values of the YMCA - Caring, Respect, Responsibility and Honesty - in your leadership

MEET JAYME, CIT/LIT DIRECTOR

Jayme Martin is a seasoned teacher in the Kennebec Valley community. She directed our CIT program last year and is excited to broaden the Camp KV experience for our middle and high school campers with our new Leader In Training program.

“The LIT program is two weeks of developing the skills to become a leader. LIT participants will practice these skills through individual and team activities focused on listening skills, problem solving and building self confidence.”

COUNSELOR IN TRAINING (CIT)

MEET ISABELLE, CAMP KV ALUMN & 2019 CIT GRADUATE

"I learned how to collaborate with others to share ideas and to find common ground, how to keep an optimistic attitude and adapt to whatever the situation holds.

The memories and friends I made in that short amount of time will always be some of my favorite, and I will continue to use the leadership and teamwork skills I gained from the CIT program for the rest of my life."

Camp KV's Counselor In Training (CIT) program gives teens, entering grades 9 & 10, an opportunity to build skills that will help them in the classroom and the workplace.

CIT participants work closely with camp leaders, who serve as instructors and mentors. Participants will spend half their day attached to a camp unit assisting with activities and learning through first hand experience. The other half will be with Jamye and the CIT group reflecting, discussing and problem solving the situations they faced during their time with the units.

CIT's walk away with:

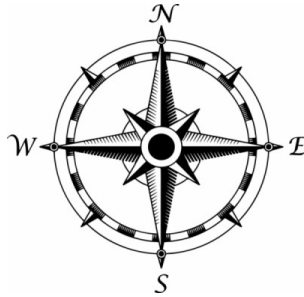

- American Red Cross CPR/First Aid Certification
- Experience facilitating group activities
- Outdoorsmanship skills
- Confidence and leadership experience

This four-week program takes place over sessions 2 through 5 only. All CIT participants are required to attend all four sessions.

All interested candidates must apply to participate in the CIT program. To apply, email Camp Director, Paul Sveum at Paul@kvymca.org

CAMPER CONDUCT & DISCIPLINE PROCEDURES

The staff governs the behavior of each child and attempts to work through conflicts and problems as they occur. A camper who displays negative behavior can affect the rest of the camp's experience. Campers who are disruptive, display inappropriate behavior, or require an undue amount of disciplinary attention will meet with the Camp Director to evaluate their behavior. Parents will be notified of any misconduct or discipline problems. It will be the parent's responsibility to arrange transportation for the child if he/she is being sent home due to disciplinary actions.

If an incident occurs that jeopardizes a camper's safety, the safety of others, or is not in accordance with the mission of the YMCA, camp staff will address and document the issue directly with the child and take the following steps.

- 1. First Violation:** The child may be removed from an activity for the day, such as swimming, free time, etc. Parents may be contacted during the day or at the end of camp depending on the time and severity of the incident.
- 2. Second Violation:** The parent/guardian will receive a phone call and may be asked to pick up their child within the hour. The child may or may not be allowed to attend camp the next day that he/she is registered for depending on the severity of the incident.
- 3. Third Violation:** Parents may be contacted immediately to pick up their child from camp. The child will be suspended for the day or week that he/she is registered for depending on the severity of the incident.
- 4. Fourth Violation:** Child may be dismissed from camp for the remainder of the program depending on the severity of the incident.

*Please Note: We reserve the right to, at any time, dismiss your child from the program immediately due to environmental, physical, emotional, or other harm to themselves, other children, and staff.

BULLYING

At Camp KV, bullying is inexcusable, and we have a firm policy against all types of bullying. Each camper is expected to treat all other campers and staff with respect. Our Camp Director addresses all incidents of bullying and trains staff to create a safe and welcoming environment for all.

HEALTHY CAMPERS

If your child contracts anything that may be contagious, please let us know. Your name will be kept confidential but state regulations require us to post any contagious illnesses to all participants.

If your child shows any sign of illness, rash, high temperature (over 101), diarrhea, infection, lice, or any contagious diseases, the parent/guardian will be called and expected to pick up the child within one hour.

While camp staff do their best to prevent injuries, sometimes they do happen. Moderate injuries will be communicated to the parent once proper first aid has taken place. If severe injuries need higher medical attention, 911 will be called and parent/guardian will be contacted immediately.

MEDICATION

Medication must be brought in its original container, allowing for proper identification and dosage, as required by state licensing. Please leave all medications with a staff member at drop-off and they will bring it to the Director's Cabin to be locked up. Campers should not have medication in their lunch boxes or backpacks.

Any medications that are to be self-administered (i.e., inhaler) by a camper must be accompanied by a completed Self Administered Med. Form (attached) and returned before their first day of camp.
