Aqua Aerobics

A low impact but high intensity water aerobics class where no swimming skills are needed. This class is designed to improve flexibility, range of motion, strength, muscle tone, cardiovascular endurance and balance while using the resistance of the water to cushion the feet, knees and back. Exercises are performed to lively, motivating music and are effective and easy to follow.
Held in the warm therapy pool

Cardio Splash & Tone

This water fitness program is held in the warm therapy pool and provides a no-impact but challenging cardiovascular workout. Participants will use styrofoam dumbbells to perform a variety of motions including water walking and running, abdominal work and toning exercises. This class is designed to burn fat and increase cardiovascular fitness, range of motion and muscle tone.

Aqua Yoga

Aqua Yoga is a low-impact aquatic exercise, performing yoga poses in water. Aqua Yoga poses help you develop strength, static balance, and increases range of motion with little to no impact on joints, especially knees, hips, and ankles. No yoga experience is necessary. Held in the warm therapy pool.

Aqua Fit Body & Soul

High Intensity training to target every part of your body. Be prepared to sweat, even in the pool.
